
RideUnity - Procurement and Privacy Pack

Contractual scope, vendor verification, security controls and pricing

1. Vendor Identification

- * Legal Entity: Salamdev Inc., federally incorporated, registered in Quebec and Ontario.
- * Tax Registration: GST and QST registered.
- * Offices: Montréal head office (1001 Boulevard Robert-Bourassa, Suite 1000, Montréal, QC H3B 4L4) | Office in Waterloo
- * Service Languages: Service in French and English.

2. Pilot Pricing and Financial Terms

Pilot Starting Price: From \$4,580 (fixed for six months based on site headcount).

- * One fixed price for six months, set by the number of employees at your site.
- * A 12-month subscription priced per employee per month by site size. Never per ride.
- * Your budget, paid to your employees, never above the monthly ceiling you set.
- * Guaranteed ride home: shared allowance up to \$100 per ride.
- * Prices exclude GST and QST. Not included: vehicles or drivers for daily commuting, transport of minors, carbon credits.

3. Security and Data Protection

- * Private communities: only your people join.
- * Identity verification with each person's consent.
- * Payments handled by a regulated payment provider.
- * Hosting region and security controls in the pack.

4. Employer Visibility and Privacy Rules

What employers see (aggregated, audit-ready data):

- * Totals by shift, site and area: registrations, shared rides, costs.
- * Ride-home uses and approved exceptions.

What employers NEVER see:

- * Never: home addresses, individual routes, phone numbers.

5. Capabilities Register and Delivery Modes
